Addendum to Innovian Anesthesia EOL Letter:

April 8, 2021

Please accept the following information pertaining to Innovian Anesthesia Support Policy. In reference to the attached Innovian Anesthesia EOL Letter, it remains Dräger policy to continue providing support for the **current version** and the **immediate previous version** of Innovian Anesthesia software until the next version is released. Therefore, Dräger will provide ongoing support for Innovian Anesthesia 7.x and Innovian Anesthesia 8.x. Innovian Anesthesia 9.0 is in development but has no scheduled release date as of today.

If you have any questions regarding service support for Innovian Anesthesia or regarding Dräger's other product offerings, please contact customer service at 800-437-2437, and you will be directed to the appropriate sales or service representative.

Sincerely,

David Karchner
